

Employment and lifestyle benefits

- Fancy working only nine days a fortnight and having a long weekend every second weekend?
- How about getting long service leave pro rata after only five years?
- Study assistance of a hundred per cent of the course value?
- Want special bonuses and allowances for working on a mine site two hours north of Perth?
- How about quarterly incentive payments based on company performance?
- Want an employer that pays above the Government's standard nine per cent into superannuation?
- Like the ability to salary sacrifice and put pre-tax dollars into superannuation, a novated lease car or that new laptop?
- And what about having personal insurances included as part of your employment?
